**WE WOULD LIKE TO INVITE YOU TO PARTICIPATE
IN 11TH INTERNATIONAL INVENTION
AND INNOVATION SHOW INTARG® 2018.**

We offer more than 4.000 sqm of modern exhibition
and conference space in the heart of Katowice City- the
capital of the most industrial and business region of Poland.

INTARG®

INTARG® is a tool of promotion of innovative products, technologies and services, as well as innovations that already entered the market and commercialization of which has already begun.

INTARG® is an event of international scope enabling exhibitors to get international references, medals and awards for presented inventions.

Moreover, exhibitors have an opportunity to not only present their inventions, but also to take part in different conferences, workshops and business meetings. Official exhibition program also includes special attractions like concerts, networking cocktail party and sightseeing tours.

INTARG® is supported by leading Polish and international organizations. Updated information about honorary patronage and partners will be announced at www.intarg.haller.pl.

AIMS:

- Creation of a platform for direct contact and cooperation of science, industry and business representatives
- Technology transfer
- Promotion and commercialization of inventions and innovations
- Obtaining a prestigious recommendation as one of INTARG® prizes for presented inventions and conferred by an international jury.

CONFERENCE AND PRESENTATION SPACE:

During the show you will have a possibility to:

- Organize a conference in a separate Conference Zone (under the sponsor-partner conditions)
- Present your own solutions, products and services in an open Presentation Zone (free of charge for exhibitors)

EXHIBITORS:

- universities, institutes, high schools, innovative enterprises
- start-ups, young inventors
- inventors associations, foundations
- financial institutions, entities supporting or cooperating with science
