The 5th International Young Inventors Award

INVITATION

Dear partners,

We are pleased to invite you and your organization to join the 5th International Young Inventors Award (IYIA 2018) on 19-22 September 2018 at Inna Grand Bali Beach Sanur, Bali, INDONESIA.

Indonesian Invention and Innovation Promotion Association (INNOPA) is the organizer of IYIA 2018. It has been fourth times INNOPA holds IYIA and every year there always a great success. Last year, the 4th IYIA was held in Jakarta with more than 250 inventions presented, and this year, we predict that there will be more than 400 inventions with 100.000 people attending The 5th IYIA, including young inventors coming from various participating countries, territories, and organizations.

On this occasion, the IYIA 2018 would give an opportunity to promising young innovators or scientists to share creative ideas among one another and also provide an excellent exposure of invention and technological advancements in various sectors. The **IYIA 2018** will also provide an excellent opportunity to tighten our relationship and will give participants chances to explore a peaceful and friendly country in Wonderful Indonesia, especially Bali. In addition, the city of Bali where the 5th IYIA is held, is a must visit place in Indonesia. Located on the westernmost end of the Lesser Sunda Islands, Bali is one of the most favorite tourism destinations in Indonesia, known for its natural attractions, perfect climate and relaxed atmosphere. This island of flowers, temples and friendly people is considered a real gem by travelers worldwide.

The deadline for registration is June 30th, 2018. Registration Form can be obtained from our official website at www.innopa.org or email us at iyia.innopa@gmail.com. If you have any question, please do not hesitate to contact us in +6281280344475 (Ms. Faradhila Iklimah).

We are looking forward to see you in Bali, September 2018!

With kind regards,

Erricha Insan Pratisi
President of INNOPA

One of the authentic sides of Bali is traditional Balinese dance performance which is call Barong Dance Bali. There are many kinds of Barong dance in Bali, and the famous one is Barong Ket dance. The entire body of the Barong Ket decorated with traditional Balinese carvings made from cow-hide. In the carvings, there are dozens of small glass mirrors. When there are lights hits the small mirror glass, create a sparkling form of light of the Barong Ket.

Tanjung Bena is a tranquility traditional village located in **Nusa Dua** peninsula flanked by the sea at both sides and white sand stretching along the coast. This area has changed much now from the previous conditions and continue to have the development where this place has been appointed as a marine sport center in Bali with variety of water activities available such as jet ski, banana boat, fly fish, snorkeling, parasailing, etc. Tanjung Bena is a very beautiful place blessed by the panoramic view of the sea and beach with calm seawater those are ideally for relaxation with your family. This area was formerly fisherman village with the simple life style, but now has changed with the tourism development.

Uluwatu Temple sits on a 70-meter-high cliff protruding above Indonesian Ocean. Because of its unique location, visitors to the temple have to take a long stone stairway to reach it. The temple heads east, unlike other Balinese temples which face west or south. There are hundreds of monkeys roaming along the path outside the temple. Although the monkeys look tame, visitors find them a nuisance as they often grab food off a visitor's hand and snatch visitors' belongings. There are two doors at the end of the path, the north door and the south one, through which visitors enter the temple complex.

Jimbaran Bay Seafood is the only restaurant in Jimbaran Kuta, right on sand with its own private beach. Enjoy your sunset dinner view with live quartet singers, Balinese traditional dance and just a few steps to find out a various types of fish on traditional fisherman market.
